General Information

Building Entrance:

The main entrance for Tribeca Performing Arts Center is on Chambers Street between West Street (West Side Highway) and Greenwich Street. This is the main entrance and second floor of Borough of Manhattan Community College. Walk up the main ramp and inside the glass doors. A member of the college's public safety department can direct you to Tribeca Performing Arts Center's administrative office, located one floor down and in room S115K. Please have a government issued photo I.D. available for our public safety officers at the door.

Ticketing Services

Ticketing Services is located inside the main lobby of Borough of Manhattan Community College. As you walk inside the main lobby glass doors, Ticketing Services is located to your right. Please note the posted hours. Ticketing Services hours are also available on our website www.tribecapac.org

Theatre Entrance:

One of the main audience entrances for Theatre One is on Chambers Street between West Street (West Side Highway) and Greenwich Street. This is the main entrance for Borough of Manhattan Community College. Walk up the main ramp and inside the lobby glass doors. If you need access to the theatre for barrier free accessible seating, please contact Ticketing Services at 212-220-1460. They can inform you of the best entrance for your arrival at the performing arts center.

Theatre Two Loading Area: (contracted load in times only):

Theatre Two does not have a loading dock. Load In for theatre two is through the BMCC West Street Gate. There are no stairs but there is a long hallway to get to the stage. Everything is at stage height for the load in. Please contact the technical department with theatre two load in questions.

Barrier Free Access:

Wheel chair / disability seating positions are located in the lower seating area to the left and right of the stage.

Policies and Procedures

Alcohol Policy:

Borough of Manhattan Community College and BMCC Tribeca Performing Arts Center have a dry campus policy in regards to all forms of alcohol. This policy applies to all areas of the theatre complex, including the dressing rooms and backstage. If you have questions regarding this policy please email us at worksheets@tribecapac.org

Assistive Listening Devices:

Theatre Two has assistive listening devices available. Please direct your audience members to a House Manager or a Ticketing Services staff person prior to the start of the performance for use of the system. A photo ID, such as a driver's license, will be required as a deposit for the equipment.

Cameras and Tripods:

Please note that due to fire code regulations regarding places of public assembly, you will not be permitted to setup equipment in the aisles of the theatre, behind the seating area, or in the row in front of the stage. Our house staff will gladly block off unsold seats to accommodate your photography and videography needs. Please contact the house managers at house@tribecapac.org and CC the ticketing staff at ticketing@tribecapac.org and the technical staff at tech@tribecapac.org

Event Provided Sound Engineers:

If you have your own engineer to mix your event, because of how BMCC Tribeca Performing Arts Center's sound systems are setup, your engineer will be completely responsible for the live mix and any event recordings of your production. We will provide a TPAC audio technician to assist and answer any questions your engineer might have, but ultimately your event's audio needs will be the sole responsibility of your sound engineer.

Fire Effects / Candles / Smoking onstage:

Fire effects of any kind, including the smoking of a cigarette onstage, must have special permission granted by Tribeca Performing Arts Center, Borough of Manhattan Community College, and the Fire Department of the City of New York. Extra time and permit costs must be planned for these types of effects. Smoking is strictly forbidden by City University of New York Policies anywhere on the grounds of the theatre complex or college. If your production involves smoking onstage please contact the tech department at tech@tribecapac.org. If your event requires candles we suggest that you look at flameless LED candles as an alternative.

Food and Drink:

There is no eating or drinking permitted within the audience area of the theatre. Bottled water is allowed in the theatre.

Flame Proof Certification:

YOU MUST PROVIDE A VALID CERTIFICATE OF FLAMEPROOFING FOR SCENERY, DROPS, BANNERS, AND DRAPERIES. NO UNDOCUMENTED MATERIALS WILL BE ALLOWED INSIDE THE BUILDING. MATERIALS MAY NOT BE FLAME-PROOFED OR TREATED AT THE PERFORMING ARTS CENTER. We prefer you send us your documentation a minimum of two weeks in advance of your load in date. If you have questions please email the technical department at Tech@tribecapac.org

The Certificate must include the following:

1. *Be written in English and have a number and expiration date*
2. *A signature of a Notary Public or licensed flame proofing company*

Helium Balloons:

Helium Balloons are not permitted onstage, backstage or in the audience seating area.

Internet Access:

All internet access is provided by BMCC's computer department via a wired Ethernet or wireless WIFI connection. If internet access is crucial to the success of your event, we strongly advise that you opt to have a BMCC computer center technician assigned to your event. Should issues with the internet connection arise on the day of your event and a BMCC computer technician is not included with your event contract, BMCC Tribeca PAC cannot guarantee that a computer technician will be available to troubleshoot and resolve the issues. All internet services may incur an additional cost for setup and technician fees. **A request for wired internet access must be submitted no later than one month prior to the date of your event. If this is not possible, we cannot guarantee that internet access will be available on the day of your event. Because of network security concerns, the BMCC computer center department does not allow outside events to connect WiFi routers or switches or hubs to the college's network or internet connection. A switch or hub can be provided by the BMCC Computer center with advanced notice.** A member of the BMCC Tribeca PAC staff will be able to give you access to the Wifi for up to 25 persons on your arrival

Keys:

The crew has access to a ring of keys to unlock all rooms within the theatre. Keys are not distributed to the visiting company at any time

Ladders, Lifts, and Catwalks:

Due to insurance regulations only BMCC Tribeca PAC staff can use ladders, lifts, and work in the catwalks.

Load In Procedures:

If you are bringing scenery, drops, or rigging into the space you must provide us with a detailed plan of how you intend to support, secure, or hang such items. We will not allow any installations that we believe to be unsafe. **During certain times of load in, the BMCC Tribeca PAC supervisor may require that the stage be completely cleared by all members of your company for safety. If this policy is not followed, it may become necessary to stop load in until the technical department supervisor feels it is safe to continue the load in process.** Drilling, stapling, gluing and nailing into the stage floor or walls of the theatre is strictly prohibited. The technical director will advise you on these policies and may require you to hire a professional rigging company at times to be present during the load in and production process.

Merchandise sales

All merchandise must be approved by the BMCC Tribeca PAC Merchandise Manager. BMCC Tribeca PAC provides staff and handles all cash and credit card transactions. Merchandise sales are contracted separately; BMCC Tribeca PAC inventories, conducts sales, provides reports, and issues payment within three weeks of the completion of your event. There is a 25% commission on this service but there is not a charge for the staff. Please email the Merchandise Manager at Merchandise@tribecapac.org

Multi Track Recordings:

TPAC's multi track recording system consists of Avid FWx audio interfaces, Apple IMAC computers, and Pro Tools 10 recording software. These recordings setups can only record a total of 32 channels. If you anticipate that your recording needs will exceed 32 channels of input you will need to rent a different multi-track recording system from an outside vendor. We are happy to provide you with the contact information for local businesses that can rent you the equipment you require. A separate waiver may be required along with your contract for all multi-track recordings.

Smoke Machines and Haze Machines:

Smoke Machines and Hazers are not allowed due to the sensitive nature of the fire detection/suppression systems installed in the theatres. Dry Ice Fog and Dry Ice Fog machines are allowed. At no time shall the fire detection/suppression system be disabled to allow for a smoke machine or hazer.

Smoking Policy:

Smoking is strictly forbidden by City University of New York Policies anywhere on the grounds of the theatre complex or college.

Table and Chair setups:

Advance notice is required for all table and chair setups. Please note that our staff are also the only ones allowed to setup and move tables.

Theatre access time:

Your access time to the theatre is the time printed within your facility use agreement and / or contracted use of the space. No one shall be allowed within the theatre without a staff person present from BMCC Tribeca Performing Arts Center. This includes the audience area, stage, dressing rooms, backstage, and lobby areas.

Two Weeks before your show loads in:

At minimum of two weeks before your show arrives at BMCC Tribeca PAC, you must provide the technical department office with a complete list of any and all items that you are planning on bringing in. This includes, but is not limited to, any scenery, soft goods, props, road cases, costumes, lighting or sound equipment, special effects, raw materials, musical instruments, live animals, large items intended for areas other than the stage, and any merchandise materials. This list should be confirmed a minimum of two weeks before the date of your event with changes being brought to the Technical Director's attention as soon as possible. Lists may be emailed to Tech@tribecapac.org

Vehicle Parking:

BMCC Tribeca PAC does not have on-site vehicle parking. There are several parking garages in the neighborhood that will accept cars and other small vehicles, but unfortunately all of the lots that can accommodate large trucks and large vans are not located within walking distance of our venue. A list of parking garages is available by emailing the technical department at tech@tribecapac.org. We can also assist you with information on how to permit traffic lanes around the performing arts center

CREW POLICIES AND INFORMATION

Addition of time to original contract:

If the need for more time arises and the crew and space are available, then BMCC Tribeca PAC will not refuse reasonable requests for additional time. Crew hours that are requested after the original contract may be billed at an overtime rate. In the event that you need to add time to a schedule, or increase the number of crew persons on the schedule, be aware this will only be possible if the following conditions are in place

- The technical director or crew supervisor is made aware of the request in advance
- The crew and the theatre is available
- The college and college staff are available
- Your producer has approved and paid for the additional Tribeca and BMCC cost directly to the Operations Director or the Associate Operations Director

Call Cancellation and time change requests:

We do not allow changes or cancellations to the crew schedule for a production within one week (business days Monday – Friday only) of your scheduled contract in the space.

Crew Representation:

Crew members are non-union. Many crew members are skilled in more than one area of production and may be on more than one type of work during the course of the day.

Crew responsibilities:

The theatre's crew runs the shows. During your show, their responsibilities go beyond the duties that they are assigned for your show, because they monitor the space as well. The crew's call is not over when your show is finished, they are required to stay until all audience and performers have left the theatre and its equipment has been restored to its original repertory state.

Equipment use and operation:

BMCC Tribeca Performing Arts Center equipment, such as but not limited to, follow spots, lighting and audio consoles, LCD projectors & media equipment, the fly system, and draperies are normally only operated by Tribeca personnel. If you have your own technician or engineer who you want to operate performing arts center equipment, please discuss this with the technical department by emailing us at tech@tribecapac.org. In all cases Tribeca PAC crew members will be assigned to assist and provide answers to any questions your technician may have.

Schedule of meal breaks:

Your schedule needs to be designed to provide a one hour walk away break for crew members every 5 hours. In the event that a crew member is required to work for longer than five hours without a full break, he / she will be compensated with an extra hour of pay. . The meal penalty policy should not be viewed as an acceptable alternative to a crew member receiving a break. The tech department is happy to work with you to suggest a schedule if needed. **During the meal break all work stops for the duration of the break and in most cases the theatre must be completely empty.**

Time over and beyond original contracted time:

When arranging your schedule, be aware that BMCC Tribeca Staff cannot guarantee additional services beyond your original contracted time. You should plan for contingencies of a show running later than planned or other factors that may delay your day in the space. BMCC Tribeca Performing Arts Center crew members are freelance technicians who may not be available to continue to work past the originally scheduled call time.

SHIPPING AND DELIVERY INFORMATION

Items arriving with the production must arrive at the start of your contracted time in the theatre to the loading dock located at 190 West Street. This dock is by appointment only and cannot accept delivery via USPS, FEDEX, UPS, or DHL.

Items that are being shipped to the center via a shipping company must be delivered a minimum of 96 hours before the start of your contracted time in the theatre. The college's shipping and receiving department is open Monday – Friday between 9am and 4pm only. If items arrive after that time they cannot be accessed for your event. Weekend event items should be shipped so that all shipments arrive no later than 4pm on the Wednesday before the event. **You must inform the performing arts center staff of all items being shipped prior to the shipment so we can provide you the appropriate department you are shipping to. Additionally items arriving outside of your contracted time / use of the space may be subject to additional costs.**

If you have questions regarding shipments please call 212-220-1459 for further information.

Parking

Parking is not provided at Borough of Manhattan Community College or BMCC Tribeca Performing Arts Center. There are several convenient parking locations within one or two blocks of the center for cars. There is no truck parking in the immediate area. The only known location as of 8/1/12 for truck or large van parking is in Harlem. Please double check rates and closing hours which are clearly posted as you enter the garage. There are no discounts available at this time for patrons using the performing arts center, or their audience members.

Parking Lot Websites

ICON Parking – www.iconparkingsystems.com

East End Parking – www.nytruckparking.com

Wooster Parking – www.woosterparking.com

In addition to the above listed parking facilities, there is limited street and meter parking around the area. Please pay close attention to all signage if you plan on parking your car or truck on the street. Most areas have very specific hours for when you can park legally. Note that NYC has a system of alternate side of the street parking.

Note: You do not want to have your vehicle towed. It is a remarkably expensive experience.

BMCC Tribeca PAC and Borough of Manhattan Community College are not responsible for any parking violations you may receive while at the theatre.

Special requests for street permitting / parking in the Tribeca neighborhood should be directed to the Street Activities Permit Office (SAPO). Online applications are preferred. You may visit the SAPO website - <http://www.nyc.gov/html/cecm/html/office/office.shtml>.

A free account will need to be completed in order to E-Apply for a permit.

The SAPO office is located at 100 Gold Street, 2nd floor, New York, NY 10038. Ph: 212-788-7567

NYC Taxi Cabs: as of 8/22/19 - rates are subject to change

Cabs can be hailed from the street. Look for the white on duty light on top of the cab. Taxi rates are labeled on the door of the cab. A meter is mounted on the front dash of the car. You may request a printed receipt. All cabs are equipped with credit card readers, and you may use your credit / debit card whenever service is available.

Normal Rates.

Base Fare:	\$2.50
Additional Fare:	\$0.50 per 1/5 mile
Stopped or Slow Traffic	\$0.50 per 60 seconds
Weekday Peak Surcharge 4pm – 8pm	\$1.00 additional upon entry to the cab
Night Surcharge 8pm – 6am	\$1.00 additional upon entry to the cab

UBER and LYFT are also widely available in the NYC Metro Area

NYC Subway and PANYNJ Path System

BMCC Tribeca Performing Arts Center is conveniently located just blocks from several subway lines. The MTA NYC Subway system costs approx \$2.75 per ride. Metrocard vending machines are located at each subway station and are available from a single ride card to an unlimited daily, weekly, or monthly pass. New metrocards cost \$1.00 plus any additional fare charges. A Single ride card is \$2.75

Red Line 1, 2, 3 to Chambers Street Stop – walk 2 blocks west on Chambers Street
Blue Line A or C to Chambers Street Stop – walk 3 blocks west on Chambers Street
Green Line 4, 5, 6 to Brooklyn Bridge Stop – walk 6 blocks west on Chambers Street

Path Service Hoboken to World Trade Center and Newark to World Trade Center. Please note services does not run on weekends through the end of 2019

NYC Bus Service

- M1 to Chambers Street - walk west on Chambers Street
- M6 to Chambers Street - walk west on Chambers Street
- M10 to Chambers Street - walk west on Chambers Street
- M22 (Crosstown on Chambers) – walk west on Chambers Street **NY**

Waterway Ferry Service

From Hoboken NJ (North and South) - take the World Financial Center Ferry – Walk North to Chambers Street
From Weehawken / Port Imperial – take the World Financial Center Ferry – Walk North to Chambers Street
From Colgate – take the World Financial Center Ferry – Walk North to Chambers Street

STATEN ISLAND Ferry Service

Take the Staten Island Ferry to South Street. Change to the Subway Red Line Number 1 Service going uptown. Take subway to Chambers Street, walk 2 blocks west on Chambers Street

Load – In

Loading Area – The Theatre Two loading area is located just forward of 190 West Street. Load-In will be through a gate and then proceed 300 feet to the theatre. The loading area can accommodate a large semi-truck or large box truck. Trucks cannot back into this loading area. Load-In times will be scheduled within your contracted use of the space and are available by appointment only. The loading area cannot be used to park trucks or vehicles. Trucks or vehicles arriving earlier than a scheduled load in time are subject to be asked by the New York City Police Department or BMCC Public Safety officers to be removed until the scheduled load in time.

Dimensions of Loading Gate: 9’5”(w) x 10’0” (h)

Dimensions of Interior Glass Doors: 6’7”(w) x 6’7” (h)

Distance from Loading Area to Elevators: 800’

Distance from Loading Area to the Theatre: 300’

Load-In of Front of House Equipment - In some instances it will be easier to load in equipment going to the front of house positions in theatre two by using the BMCC / Tribeca PAC elevators. Equipment must be loaded in at the West Street Gate entrance. The West Street Gate entrance is located just north of the Theatre One Loading Dock and is available by appointment only. The elevators are the only means of elevator travel to the upper house section of theatre two. Please contact the technical director if you feel you may need to use this as a load in location. You must have a Tribeca PAC staff member with you while using the elevators within the college. During peak hours of class time and events within the college, it is a good idea to allow extra time if planning to use these elevators.

Dimensions of Elevators: 5’3”(w) x 8’3”(h) x 6’9” (depth)

Weight Restriction 3000lbs

There is no freight elevator at the BMCC / Tribeca Performing Arts Center

Carpentry

X	9'0"	Black Traveler	36'	DEAD HUNG

Dressing Rooms, Laundry, Crossovers, and Storage

Dressing Rooms

A (stage level)	8 Person Capacity Dimensions 150 sq ft	4 Mirror Station 1 Sink 1 Toilet 1 Shower
B (stage level)	8 Person Capacity Dimensions 150 sq ft	4 Mirror Station 1 Sink 1 Toilet 1 Shower

For large groups it may be possible to use upstage of theatre two / “theatre three” as a dressing room. Extra time is needed to prepare this room for this purpose. Please contact the technical director to arrange for use of this room.

Laundry:

BMCC Tribeca Performing Arts Center has one washer and one dryer located within the complex. Special arrangements must be made if you will need to do laundry while at the performing arts center. Please discuss your needs well in advance of your event. Failure to arrange for the use of this equipment in advance will result in the equipment not being available to your company the day of your event.

Irons: 1

Ironing Boards: 1

Steamers: 2

Racks: 4

Cross Over:

On stage crossover upstage of the black traveler only when closed.

Storage:

Storage space is extremely limited and only available during your contracted time in the space. Please discuss your storage needs well in advance of your event. **Please note that extra costs may be incurred for the storage of any materials related to your event outside of your contracted time. Unless arranged for well in advance storage of items will not be allowed.**

Disposal of Items:

We are not able to dispose of large set pieces, props, furniture, costumes or other related items to your event.

Anything brought into the theatre must be taken with you when loading-out.

Stage Lighting:

Repertory Lighting Plot

Our repertory lighting plot has been designed and focused to meet the needs of a typical rental client. The Rep includes a wash of front light, 2 washes of high side light, a LED down wash (Colorsource Par), a down template wash, a Wybron CXI IT scroller back wash, a scroller diagonal front wash, 4 Martin Rush MH1 moving lights, 2 I-Cue moving lights, ChromaQ Studio Force II work/house lights, Selador Vivid-R cyc wash, and 6 dedicated front special units. Inventory consists of ETC Source 4 lekos (lens sizes 14-50 degree) and ETC Source 4 PARS (full lens kits available). These units are lamped at 575w. There are limited additional units, cable, iron and booms available in stock.

You may provide your own light plot, however any re-focus or re-hang must be fully restored within your contracted time in the theatre. Additional crew may be added to meet your needs. Due to insurance, only TPAC staff is allowed in our catwalks and to operate our Genie lift and Skyjack.

We do not pre-hang or pre-focus forwarded plots. Additionally, we do not provide, pre-order or pre-cut perishables such as gel or templates that are outside of our repertory plot.

L520 - TWIST LOCK – NUB IN - all units, all circuits.

Dimmers:

286 - 2.4k ETC Sensor Dimmers

Control Console:

Control Console: ION xe
Channels: 32,768
Addresses: 2,048(max number of controllable dimmers by ETC ION - the house has 286 dimmers)
Cues: 10,000
Groups: 1,000
Macros: 99,000
Submasters: 999
Designer Node: YES - (with advance notice)
ETC NET / DMX: Control Booth, House Seating, Backstage

House Lighting:

Unison Control System
Programmable Faders and Preset Controls
House Lighting is dimmable from control booth and other select locations via Unison
Lighting is dimmable in specific sections or as a whole.

*Special Note: House Lighting is compact fluorescent lighting. There is a dimmer curve at 10% for both the house lighting fading out and in. This will cause the house lights to slightly bump in and out as they dim.

House Lights are also supplemented by LED Chroma Q 12" Studio Force II fixtures.

LED Aisle Lighting:

The LED aisle lights must remain on at all times for safety. They cannot be dimmed.
The fluorescent lights in the rear of the theatre remain on throughout for safety.

Cable / Hardware:

Large supply of 5', 10', 25', 50' L520 Twist Lock Nub In
Cables Limited Supply of Two-Fers, Side Arms, Adapters
Limited Supply of 5 pin DMX data cable

Color Media Information:

BMCC Tribeca PAC only stocks repertory lighting plot color gel in Rosco and Lee. We have a very limited supply of extra gel colors available. It is imperative if you have exact gel or color requests that you bring all lighting gel media with you at the time of your load in. It will save an immense amount of time if you have this gel cut to either ETC Source 4 or ETC Source 4 PAR size.

Power:

(4) – 20amp Quad Box Edison circuits backstage locations

House Dimmer Racks are permanently installed one flight above the stage in the dimmer room

The house does not own cam locks, feeder cable, or pin and sleeve 4 prong cables.

Currently there is NOT a 220 amp tie-in service available in Theatre Two. Please contact the technical director for more details. A tie-in is not available.

Sound

Audio Volume Limitations

In accordance with OSHA guidelines and general health considerations, Tribeca PAC is required to control the maximum sound pressure levels generated within our venues. The Tribeca PAC Technical Supervisors and Theater Technicians will insure that the system does not produce sustained sound pressure levels in excess of 115 dB (A weighted) at a distance of 15 feet in front of any speaker cluster. It is expected that safe sound pressure levels which will satisfy both the Artist's aesthetic considerations as well as the TPAC's commitment to protecting patrons' hearing, can be mutually agreed upon during rehearsal or sound check and will not be exceeded for the duration of the event.

Infrared Listening:

- 01 – Sound Associates SA-1422 Transmitters with DSP Processor
- 02 – Sound Associates SA-611 Emitters
- 02 – Sound Associates SA-612 Emitters

Audio – Visual and Film Screenings

For most Audio/Visual needs we have equipment available from the BMCC Media Services Office. Please let us know of your specific needs so that we may advise you about the type of media equipment we have available.

While BMCC Tribeca Performing Arts Center is the premiere venue of the Tribeca Film Festival, we do not have film projectors permanently installed in the theatre. All of the film projectors and audio systems for the Tribeca Film Festival are specialized gear brought in for that event only. That gear is provided by outside rental vendors. If you are planning on showing a film and a standard 4000 lumens projector will not meet your needs, you will have to rent in all necessary equipment from an outside company. We have suggested two companies that have provided this service to our clients before. Please note you must contract the equipment and staffing from the outside company in addition to the theatre's technical staffing. You may also require the services of the BMCC Electricians in order to provide enough power for the rented projector and equipment.

Sony VPL-FH300L

Image Brightness	6000 ANSI lumens
Image Contrast	1300:1
Resolution	2048x1080
Widescreen	Yes
Video Modes	1080p/60, 1080p/24, 1080p/30, 1080p/50, 575i, 575p, 480p, 480i
Analog Video Formats	VGA, RCA
Interfaces	HDMI

There is one projection surface in Theatre Two

1 – Automated Roll Down Screen downstage of the main drape. – **FRONT projection only**

Screen Dimensions: 17' (w) x 17' (h)

Travel Time: Full In Position – 1 min

Full Out Position – 1 min

Screen control switch located in the control booth.

Due to size & weight, the screen can only cycle in and out one time in a period of fifteen minutes.

Distance from the control booth to the front screen – 50'

A Rear projection screen is available. Please inquire to the use of this screen with the tech department.

Internet Services are available and may be billed at an additional fee.

Live Streaming Services

BMCC Tribeca PAC has the ability to provide live streaming services of your event.

Currently we offer both single camera and multi camera live stream packages.

Due to the wide range of live streaming services available, if you are interested in one of the above packages or would like to provide your own live streaming crew, please inquire about your specific need with the technical department and we will be happy to assist you.

Internet Access Information

BMCC Tribeca PAC has the ability to provide Wired and Wireless WiFi internet access.

All internet access is provided by BMCC's computer department. If internet access is crucial to the success of your event, we strongly advise that you opt to have a BMCC computer technician assigned to your event. An extra charge for this staffing will be included in your overall contract costs as part of the BMCC Service Fees. Should issues with the internet connection arise on the day of your event and a BMCC computer technician is not included in your event contract, Tribeca PAC cannot guarantee that a computer technician will be available to troubleshoot and resolve the issues. All internet services may incur an additional cost for setup and technician fees.

A request for internet access must be submitted no later than two weeks prior to the date of your event. If this is not possible, we cannot guarantee that internet access will be available on the day of your event.

Because of network security concerns the BMCC computer department does not allow outside events to connect WiFi routers or switches to the college's network or internet connection. A switch can be configured for your event by a BMCC computer center technician. An additional fee may apply. Please contact the technical department with any questions.

If requested in advance, A WiFi username and password will be created for your event and available to you on your event load in day.

Stage Furnishings

Tables:

- 20 BMCC Tribeca PAC can provide six foot folding banquet style tables. Please discuss The number of tables you need for your event with the tech department.

Ticketing Services

Rental Info & Policies

Contact Info

Box Office (212) 220-1460

220-1459

ticketingmanager@tribecapac.org

Location

199 Chambers Street, New York, NY 10007 Administrative Office (212)

Between Greenwich St & West St (West Side Highway)

Inside the lobby of the BMCC building

Regular Hours

Tuesday – Saturday 12pm-6pm

Sunday & Monday – Closed

Summer Hours

June 20th to September 10th

Monday – Thursday 12pm – 6pm

Event Hours

Ticketing Services will be open one (1) hour prior to all ticketed events; and will remain open a half hour (30 minutes) into the start of a performance. During this time Ticketing Services will only sell tickets for your event. There will be no advance sells for other events.

For Sunday & Monday events, please see the Ticketing Services Manager for hours.

Ticketing Services will be closed on these days:

- | | |
|-------------------|-----------------------------|
| -Labor Day | -Columbus Day |
| -Christmas Eve | -Christmas Day |
| -New Year's Eve | -New Year's Day |
| -MLK Jr. Day | -Lincoln's Birthday |
| -President's Day | -Memorial Day |
| -Independence Day | -Thanksgiving (Thurs & Fri) |

Sales Policies

- We accept all major credit cards and cash
- Personal checks are not accepted by Ticketing Services
- All sales are final. There are no refunds or exchanges.

Ticket Printing

In House Printing

Please fill out the Ticket Printing Form that was provided to you and return it to the Ticketing Services Manager. Once we have received your Ticket Printing Form we will build your event in our database. We will then print a ticket proof for your approval.

Sign-Out

You are allowed as the producer to sign out a certain amount of tickets for each performance. These tickets are yours to sell or distribute outside of the BMCC campus in any way that you see fit.

Please let us know of any holds, kill seats, tech, or etc. From the remainder amount of the tickets you may sign out 25% of the available tickets.

Any tickets that you wish to have sold on the BMCC campus the day of the event must be returned to the Box Office two (2) business day prior.

Outside Ticket Vendors We prefer that all ticketing be done in-house, but if you prefer using an outside ticket vendor, approval must be obtained from the Ticketing Services Manager, as well as, a consignment fee must be paid. Will call or any unsold tickets must be returned to Ticketing Services at least 48 hours to the performance date

Please provide a list of any outside vendors you are using to sell your tickets. Have them provide a list of all tickets sold for the Ticketing Services Manager to use a reference at the Box Office on the day of the event. This helps us provide better customer service to your patrons. Failure to provide a ticket manifest before your event, voids the Box Office of any responsibility in assisting with lost, stolen or forgotten tickets

Will Call If you have a small volume of Will Call, Ticketing Services can handle your Will Call at no additional cost. A high volume Will Call will require an additional staff member to be added to your labor cost.

Admittance No member of the audience will be allowed to enter the theatre without a ticket. You are strongly advised to bring all VIP or special seating tickets with you to the theatre.

TICKETS MAY NOT BE SOLD ON THE BMCC CAMPUS OUTSIDE OF THE BOX OFFICE *NO EXCEPTIONS*****

Discounts / Promotions

BMCC Student/Staff

There is a minimum 20% discount for BMCC Students, Faculty and Staff. This discount will require the patron to show their BMCC identification card to the Ticketing Services staff before the sale is made. This discount will not be available by phone or internet sales.

Additional Discounts

Please discuss any discounts with the Ticketing Services Manager before you advertise it. We want to be prepared to serve your customers as best we can.

If you are looking to sell tickets on a discounted third party website such as TDF, Living Social, Groupon, Etc., please make sure that the Ticketing Services Manager is notified prior to setting up promotion. We will need to hold seats to ensure no double or over selling.

Promotional Information

Any promotional information such as fliers or posters must go through the Marketing Director.

Special Considerations

Complimentary/Press Tickets

It is in your best interest to reserve complimentary tickets as you become aware that you need them. This will allow us to provide you with the best selection of seats to choose from. Please provide Ticketing Services with a preliminary list with Patron Names and number (#) of seats no less than two (2) business days prior to your event.

Website Listing

We are more than happy to add your event to the calendar on www.tribecapac.org. If you would like to participate in this, please email a descriptive paragraph about your event along with a graphic to the Ticketing Services Manager when you submit your ticketing request form.

Wheelchair Seats

All Wheelchair seats are held by the Center's Box Office. Patrons in need of a Wheelchair seat can contact us directly during Regular Ticketing Services Hours.

Selecting a Pricing Map

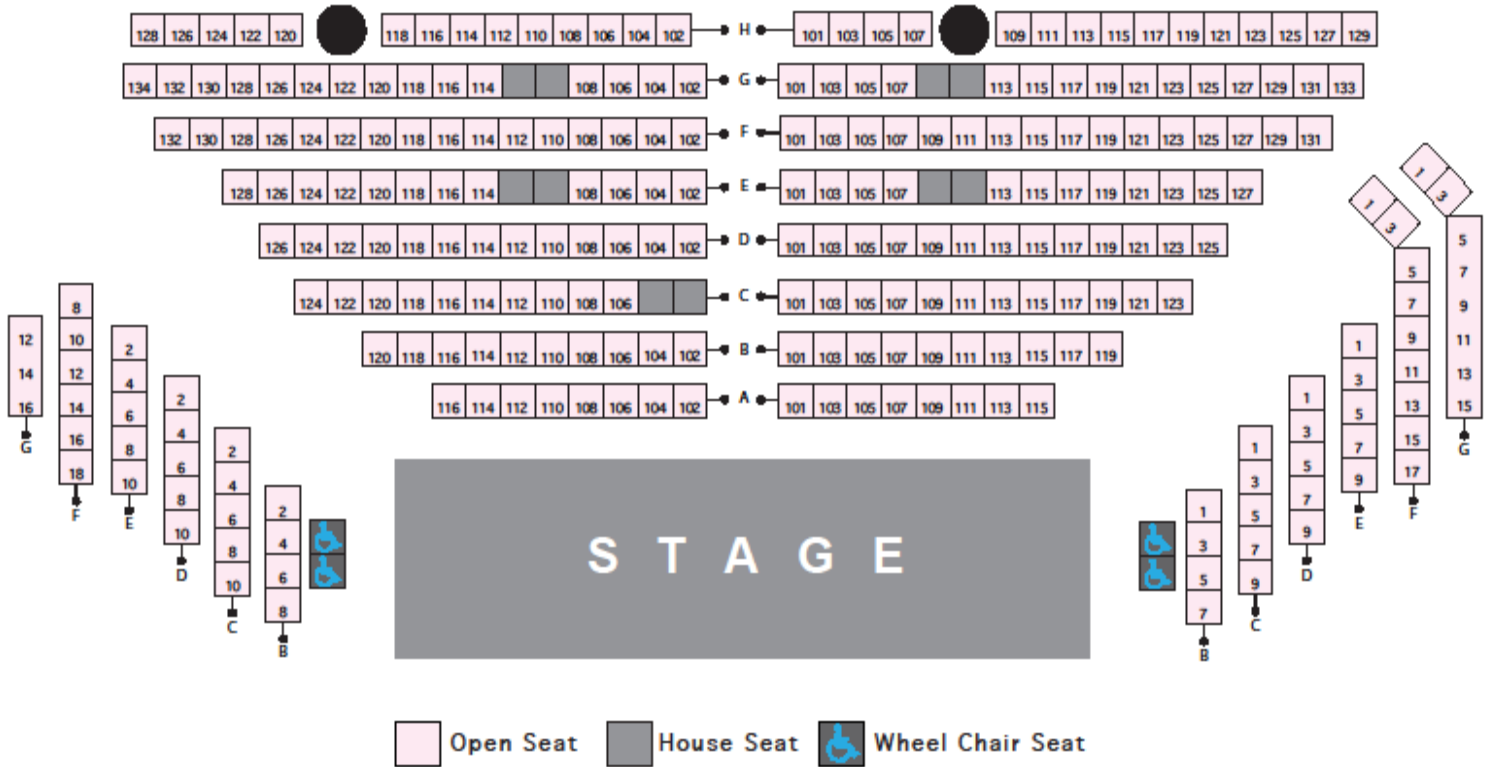

We have created a set of Standard Pricing Maps for each theatre.

Please visit our website, www.tribecapac.org to see them online, or you may request that Ticketing Services e-mail them to you in a PDF format.

- There are 5 separate Standard Pricing Maps for **Theatre 1**. They range from 1 Pricing Zone/General Admission to 5 Pricing Zones/Reserved Seating .

If none of these Standard Pricing Maps works for your event we can create a custom map for no additional charge.
