LIVE SEPT 13

**NEW YORK, NY**

TRIBECA PERFORMING ARTS CENTER

**TICKETS** [PEGASUSCONCERTS.COM](http://PEGASUSCONCERTS.COM)

Born in Kansas City, Missouri, Eddie was voted class clown three years in a row in high school. His first love was always dance and by the young age of 16, he opened his own dance studio and was choreographing the Kansas City Chiefs half-time shows. But all of that would soon change when one night his cousin dared him to go on stage at the local comedy club Sanford and Sons where he was told to do 3 minutes. He performed off-the-cuff for 45 minutes successfully. It was then Griffin purchased a one-way ticket to Los Angeles to pursue his dream of becoming a stand up. He played The Pastor opposite Dave Chapelle, Lady Gaga and Bradley Cooper in 2018s Academy Award Winning feature film A Star is Born. His Showtime Comedy Special Eddie Griffin: Undeniable debuted on Showtime in February 2018 to rave reviews.

COMEDY AT **TRIBECA**

# OMID DJALILI

**NEW YORK SEPT 29**

TRIBECA PERFORMING ARTS CENTER

The Persian Comedy Powerhouse performs his critically acclaimed new show **NAMASTE** where Omid peacefully bows to his inner anger and unleashes a torrent of comedic vitriol upon the current state of this dangerously messed up planet. No government gets a green card. No tyrant avoids a take down. No audience member leaves the theatre with an ounce of laughter left in them. You have been warned. "So hysterically funny and at the same time so poignant and powerful that calling it stand-up barely does it justice." Michael Levin, Huffington Post.

\$45 - \$120

## CLASSIC ALBUMS LIVE

# FLEETWOOD MAC RUMOURS

Founded in 2003, and celebrating its 20th anniversary, Classic Albums Live has quickly earned a stellar reputation for perfectly recreating classic rock albums in its entirety, reproduced to be as true to the original recording as possible, and without costumes or impersonators. The musicians go to great lengths to faithfully recreate every sound on the original album live on stage, note for note, cut for cut.

The concert includes the original Rumours album performed in its entirety followed by a set of Fleetwood Mac classic hits. Fleetwood Mac's Rumours, released in 1977, contains many of Fleetwood Mac's most iconic songs such as "Don't Stop", "Go Your Own Way", "The Chain", "Dreams" and more.
