Classic Albums Live has earned a stellar reputation for perfectly recreating classic rock albums in its entirety, reproduced to be as true to the original recording as possible, and without costumes or impersonators. The musicians go to great lengths to faithfully recreate every sound on the original album live on stage, note for note, cut for cut. Led Zeppelin II, the second studio album by the legendary English rock band Led Zeppelin, was released in 1969. The iconic album features such classic Led Zeppelin hits as "Whole Lotta Love," "Ramble On" and more. The rock orchestra Classic Albums Live will perform this album on stage, note for note, cut for cut, followed by a dynamic set featuring Led Zeppelin's greatest hits.
